FOR IMMEDIATE RELEASE

**IRONSHORE INTERNATIONAL APPOINTS CHIEF OPERATING OFFICER
FOR GLOBAL PLATFORM**

New York, New York, July 24, 2017 – Ironshore International announces the appointment of Krishnan Ethirajan to serve in the additional role as Chief Operating Officer of Ironshore International. Mr. Ethirajan currently is the Chief Operations Officer of IronServe Inc., a global operations unit delivering a range of specialized underwriting, finance and technological support throughout Ironshore’s platform worldwide. He will retain his IronServe role as part of and in addition to Ironshore International Chief Operating Officer.

Prior to joining Ironshore in 2012, Mr. Ethirajan was Insurance Sector Leader for the services and operations practice with PricewaterhouseCoopers. Previously, he has served in various management positions with Allstate Insurance and is credited with establishing the Global Sourcing Office responsible for executing its operational transformation program. His professional career also includes his tenure with Gartner, managing the Asia and Central U.S. consulting group.

“Krishnan brings a wealth of experience to his added title as COO of Ironshore International, having served in that position for IronServe, as well as prior leadership roles with leading professional services firms in global markets,” said Mark Wheeler, Chief Executive Officer of Ironshore International. “Krishnan will now be responsible for all Ironshore International operations as we seek to develop and grow our service offering.”

Mr. Ethirajan was recently appointed an Executive Director of Ironshore regulated entities PMA and IEDAC.

IronServe is the global operating unit that delivers Underwriting, Claims and Finance Operations, Analytics, Reporting, Information Technology and Outsourced services throughout Ironshore’s platform worldwide.
