

IronHealth®

Risk Management and
Healthcare IT Services

Risk Management

IronHealth provides "Risk Management dollars" for insureds to be allocated toward the purchase of risk management products and services from the providers of their choice. To help stretch those dollars, IronHealth actively establishes partnerships with leading Healthcare Risk Management providers to secure access to quality programs, many at discounted pricing.

While specific to the partner involved, risk management services available range from provider and staff education, to software solutions for event reporting and response, policy resources and risk assessment capabilities.

Our preferred partners include:
