Builders Risk

Property products include Builders Risk Property and Ironshore has the experience to work with insureds to provide flexible, tailored solutions to meet their project-specific construction needs.

Builders Risk Property products provide property risk transfer solutions for global and domestic project owners with international and domestic capabilities. We offer worldwide capacity, market expertise, industry-leading underwriting, a proven track record, financial strength and world-class claim service.

Coverage is provided for project Builders Risk programs utilizing broker forms or our Completed Value Builders Risk Policy which provides all risk coverage for property in the course of construction including hot testing, delay in completion coverage, and terrorism coverage and includes both principals and contractors.

In addition, a five year construction term is offered.

Limits \$100M (USD)

- Probable Maximum Loss (PML) capacity, with line size up to \$200M – Capacity deployed on 100%, quota share, or excess basis
- Wood Frame Limits: \$15M amount subject capacity on a quota share basis
