

MERGERS & ACQUISITIONS AND TAX INSURANCE

TOP REASONS TO CHOOSE IRONSHORE.

In-Depth Experience

Our M&A Insurance team is one of the most experienced in the world. Our underwriters close in excess of 400 deals a year and average more than eight years' direct M&A experience across a variety of industry sectors. We are all licensed corporate or tax attorneys who practiced in our local jurisdictions before moving to the insurance sector. Furthermore, we are a multilingual group fluent in Mandarin, Japanese, German, French, Italian, Swedish, Spanish, and many more.

Superior Process

While we have one of the largest teams in the industry, our underwriters have direct access to our senior management throughout the M&A process. Our streamlined approach enables us to accomplish more with faster response times and flawless execution. It's why we're considered the premier insurance company for M&A deals internationally.

Exceptional Claims Service

Our underwriters and claims team work in-house together on each and every deal. In fact, we have the largest dedicated M&A claims team in the market today, so we are familiar with each account before a claim is filed. This is unique to our industry. When claims arise, we work seamlessly together to achieve swift and fair resolution. Ultimately, our personal approach protects the most important asset we have: our reputation. It's no wonder we've earned such high accolades from our clients regarding our claims process.
